ABOUT INSTITUTE

SKD College of Pharmacy, Lucknow, was established by SKD Group Education with the proclaimed objective of becoming a center of excellence for teaching in pharmaceutical sciences. The college, which was founded by SKD Group UP Ratna Awardee Shri S.K. D. Singh, draws from over 40 years of experience in the field of education. The SKD Group has a diverse portfolio in education, including Medical Coaching Institute (SKD New Standard Institute), Inter School (SKD Academy -U.P., ISC, & CBSE Board), and Degree College (Sri Krishna Dutt Academy).

Amid the challenges posed by the COVID-19 pandemic, the organization under the leadership of visionary founder Director Mr. Manish Singh, played a crucial role in supporting vulnerable communities. They provided essential supplies, medical assistance, and financial aid, while also organizing food distribution drives, facilitating vaccination camps, and raising awareness about safety measures.

Recognizing the evolving needs in the field of medicine, Mr. Manish Singh initiated the establishment of a well-equipped branch for Pharmacy education. With innovative programs and a dedicated faculty, SKD College of Pharmacy has been instrumental in shaping generations of leaders in healthcare and academia. Their efforts have not only fostered excellence but also contributed to societal well-being through education and health initiatives.

CHAIRMAN'S MESSAGE

We at S.K.D. Academy, believe in imparting quality education in all the fields of academics. With the active support and cooperation of the dedicated teaching staff, we inculcate in our students an affirmative approach to life with honesty and hard work.

S.K.D. Singh

Awarded UP Ratna
Award by
Hon'ble Ex Governor
Shri Mata Prasad ji
on 25th July, 2019

DIRECTOR'S MESSAGE

Education is the fundamental birth right of every child and an educated person is an asset to the society and to the nation.

With a vision "To be in the service of education", SKD Group has a proven track record Inter School with its five branches (U.P., I.S.C., & C.B.S.E. Board) alongwith Degree College. Our institution's core competence is pure academics. We encourage our students to establish their aims at a very early stage so that they may develop all the necessary skills required to achieve their goals in life.

May God guide us in the right direction so that our commitment to education & health be fulfilled & we serve the society in the best way.

Manish Singh

CAREER SCOPE FOR D. PHARMA

A Diploma in Pharmacy (D.Pharma) can open up various career opportunities in the pharmaceutical and healthcare industry. Here are some career options you can explore with D.Pharma :

Pharmacist : The most common career path is working as a pharmacist in retail pharmacies, hospitals, or clinics. You can dispense medications, offer patient counseling, and ensure the safe use of drugs.

Hospital Pharmacy Technician: You can work in hospital pharmacies, preparing and distributing medications to patients and healthcare professionals.

Community Pharmacy Owner: With experience and additional qualifications, you can open and manage your own pharmacy.

Pharmaceutical Sales Representative: Promote and sell pharmaceutical products to healthcare professionals. This role requires good communication and sales skills.

Production / Manufacturing: Work in pharmaceutical manufacturing plants where you can be involved in drug formulation, quality control, and production processes.

Regulatory Affairs: Ensure pharmaceutical companies comply with government regulations and standards for drug development and marketing.

Research and Development: Work in pharmaceutical research, assisting in the development of new drugs or improving existing ones.

Clinical Trials Coordinator: Assist in the coordination and management of clinical trials to test new drugs or treatments.

Quality Control / Quality Assurance: Ensure the quality and safety of pharmaceutical products through testing and quality control processes.

Pharmacy Education: Pursue further education and become a lecturer or faculty member in pharmacy colleges.

Pharmaceutical Marketing : Work in marketing and promotion of pharmaceutical products, creating marketing strategies and materials.

Consultancy: Offer pharmaceutical consulting services to various healthcare organizations.

Remember that further education and speciali-zation, such as a Bachelor of Pharmacy (B. Pharm) or Master of Pharmacy (M. Pharm), can enhance your career prospects and open doors to more advanced roles in the pharmaceutical field. Additionally, staying updated with industry trends and regulations is crucial for a successful career in pharmacy.
